REACTIVATION OF FILE OR CHANGE OF PROGRAM

Please use this form only if you wish to change your graduate program or if you applied and were accepted for matriculation at Queens College within the past two years but did not enroll, and you wish to enroll in the next semester. Return the completed form to the Office of Graduate Admissions. If you have received any mark for a graduate course as a matriculated graduate student, and you were not in attendance at Queens College during the most recent semester, you cannot use this form; instead you must file a Reenter Application and resubmit all required documents, including updated transcripts, to the Office of graduate Admissions. Students are advised to consult with departmental graduate advisers for counseling.

Fees: No fee is required if you are changing your program. If you are reactivating your application, please attach a check or money order for \$125, payable to Queens College, and return it with this form to the Office Graduate Admissions.
